

Self-Monitoring

- Does that make sense? Does that sound right?
- What did you notice? (after a long pause)

Predicting

- What do you think is going to happen next?
- What information makes you think that?
- Did you need to change your prediction as you read?

Inferring

- What is the author really trying to say?
- What were the author's feelings about that?
 & How do you know?

Connections

- Think about what you already know about ___ to help you understand this book.
- What does this remind you of?
- This reminds me of ____ Can you tell me why?

Synthesizing

- What did you learn?
- How did this change the way you think about ____?

Critiquing

- Did you like the book?
- Would you have ended the book in a different way?
