

Wordo

Materials needed:

1. Paper
2. Pencil
3. Word list
4. Some type of bingo chip (pretzels, coins, buttons...)

Directions:

- Fold paper or draw a grid so that you have nine squares (like a bingo card)
- Pick nine words, one at a time and have child write words in random order on "wordo" paper
- Decide which "rule" makes a bingo (will it be a full row across or a row down?)
- Read words in random order, as the word is read the child places the bingo chip on word
- Yell "BINGO" when you win!
